From the Pastor:

June is shaping up to be a busy month around the parish! Throughout this newsletter you will see all that is happening. We have something special going on almost every Sunday this month, as well as, regular weekday events. In addition to Sunday and weekday busyness, the Great Plains Annual Conference is scheduled for 6/5-6/7 in Salina, Kansas. This is a special year for voting on some constitutional amendments: Regionalization; Inclusiveness of the Church; Racial Justice; and Clergy Education Requirements. You can find more information on these important issues at <https://www.greatplainsumc.org/amendments>.

If you would like to vote on these important issues, you have been invited to attend a Laity session of the Annual Conference in Omaha. Many of you have already received an email from me in reference to this important day. The voting session (occurring live in Salina) will be live streamed to Omaha so these amendments can be voted on. If you are interested, please contact me immediately so I can send you the email instructions and location for Friday 6/6. Please pray for those traveling to Salina, as well as prayers for God's will to be done during the Annual Conference. Thank you all for your perseverance in spreading God's Word in our community. Blessings—Pastor Julie
