From the Pastor:

When I was young, I thought July was the hottest month of the year. As I got older, I realized August and September can be hotter than any other summer month. And now....the Midwest is once again teaching me something new. MAN, was it HOT many days in June!! So hot, in fact, that there were places where the asphalt on the roads buckled! At the churches, there will be nothing that buckles due to extreme heat in July, but we do have some opportunities to sizzle. We will have some new members being welcomed; VBS fun; an Annual Conference debrief; and restarting of our Outreach Mondays. For those who are traveling, I am keeping you in my prayers. Please be safe; enjoy your adventures; and return to us soon. For those having visitors at your homes, you are also in my prayers as you open your homes up to your loved ones. Consider bringing them along to church. It is wonderful to see how you all can "pack a pew" on Sunday mornings. For all of us, my prayer is that we realize how important God is in our lives; how much He enriches our lives; and may we enjoy each day, with whatever it brings, giving thanks to God for every minute. Blessings--

Pastor Julie
